May 24, 2016

Dear Parents of UConn ECE students,

At this time your child has begun the process of applying for their UConn ECE (Early College Experience) course or courses for the 2016-2017 school year. SHS students taking ECE classes will receive a bill via email only. If your child receives free/reduced lunch then their class will be free. Please follow up with your child to pay the UConn ECE reduced price at the following site: ece.uconn.edu/students/billing-payment.

If for any reason your child needs to drop this course they would need to fill an ECE WAU (withdrawn audit) form. All information can be found at: ece.uconn.edu or at stamfordhigh.org regarding this matter.

Please note that enrollment into UConn ECE courses means Stamford High students will receive full access to the UConn Library system: ece.uconn.edu/students/student-tech-resources/#library1 and that UConn ECE courses are transferrable to 87% of colleges!

We are excited for this opportunity and do not want you to miss out! If you have any questions or concerns please do not hesitate to email the SHS UConn ECE site representative Pat Chacra (pchacra@stamfordct.gov) or the SHS Media Specialist Mary George (mgeorge@stamfordct.gov) for assistance.

Respectfully,

A handwritten signature in black ink, appearing to read "Raymond Manka".

Raymond Manka

Stamford High School Principal
